(hereinafter "LICENSEE"), in consideration of the mutual covenants contained herein, the parties, intending to be legally bound hereby, hereto agree as follows:

 (hereinafter "LICENSEE"), in consideration of the mutual covenants contained herein, the parties, intending to be legally bound hereby, hereto agree as follows:

1. LICENSORs developed certain valuable intellectual property, known as the **Synthetic 3D On-Air Signature and Gesture Databases**, and desires to grant a license to LICENSEE. LICENSORs does not warrant to LICENSEE for the Database.

2. LICENSEE shall have no rights with respect to the Database or any portion thereof and shall not use the Database except as expressly set forth in this Agreement.

3. Subject to the terms and conditions of this Agreement, LICENSOR hereby grants to LICENSEE for non-commercial research use only, for an initial period of 2 years starting at the effective date above mentioned renewable upon the discretion of LICENSORs, a royalty-free, nonexclusive, nontransferable, license subject to the following conditions:

3.1 The Databases are only for the non-commercial research use of LICENSEE and, in a need-to-know basis, of those direct research colleagues who belong to the same research institution as LICENSEE and have adhered to the terms of this license.

3.2 The Databases will not be copied nor distributed in any form other than for backup of LICENSEE.

3.3 The Databases will only be used for research purposes and will not be used nor included in commercial applications in any form (e.g., original files, encrypted files, files containing extracted features, etc).

3.4 Any work made public, whatever the form, based directly or indirectly on any part of the Databases will include the following references:
